WHEREAS, Plaintiffs each filed separate actions, captioned *City of San Buenaventura v. Killinger, et al.*, No. C09-816 (W.D. Wash.) and *Solton v. Killinger, et al.*, No. C09-664 (W.D. Wash.), asserting claims against Defendants arising from their roles as officers, directors, or external auditors of WMI and/or Washington Mutual Bank ("WMB"), which actions were subsequently consolidated under the caption *In re Washington Mutual, Inc., California Securities Litigation*, 08-md-1919 MJP, Lead Case No. C09-664 MJP (the "Action"), by the United States District Court for the Western District of Washington (the "Court") in an order dated December 18, 2009;

WHEREAS, on September 25, 2008, the Office of Thrift Supervision, by order number 2008-36, closed WMB, appointed the FDIC Receiver as receiver for WMB and advised that the FDIC Receiver was immediately taking possession of WMB's assets. Upon its appointment as receiver, the FDIC Receiver sold substantially all the assets of WMB to JPMorgan Chase Bank, National Association, pursuant to that certain Purchase and Assumption Agreement, Whole Bank, dated as of September 25, 2008;

WHEREAS, on September 26, 2008, WMI and WMI Investment Corp. (together, the "Debtors") each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), as jointly administered, *In re Washington Mutual, Inc.*, Case No. 08-12229 (MFW) (the "Bankruptcy Cases");

WHEREAS, by order, dated January 30, 2009, the Bankruptcy Court established March 31, 2009 at 5:00 p.m. (Eastern Time) (the "Bar Date") as the deadline for filing proofs of claim against the Debtors and their chapter 11 estates;

WHEREAS, on March 20, 2009, prior to the Bar Date, Plaintiff City of San Buenaventura filed Claim No. 3333 in the Bankruptcy Cases (the "Bankruptcy Claim"), relating to its status as holder of certain WMB debt securities, unrelated to the Action;

WHEREAS, Plaintiffs did not file any proofs of claim in the Bankruptcy Cases other than the Bankruptcy Claim;

WHEREAS, on May 3, 2010, the Bankruptcy Court entered an Order Modifying Automatic Stay to Allow Advancement Under Insurance Policies that, among other things, authorized the applicable insurance carriers (the "D&O Policy Carriers") to advance the Individual Defendants' defense fees and

costs incurred in the Action under the applicable directors' and officers' liability insurance policies ("D&O Policies");

WHEREAS, each of the Defendants expressly denies any wrongdoing and expressly denies that they have committed any act or omission giving rise to any liability to Plaintiffs whatsoever, and states that this Agreement shall in no event be construed or deemed to be evidence of, or an admission or concession on the part of any Defendant with respect to, any claim or for any fault, liability, wrongdoing or damage whatsoever, or any infirmity in the defenses that the Defendants have asserted or could have asserted in the Action, and state that the Defendants are entering into this Agreement solely to eliminate the uncertainties, burden and expense, costs and distraction of potential or further protracted litigation; and

WHEREAS, the Parties desire to finally resolve and settle all claims relating to, concerning or arising out of the facts and circumstances alleged in the Action that were or could have been asserted against Defendants in the Action or WMI in the Bankruptcy Cases, to avoid potential or further protracted litigation, as provided herein;

NOW THEREFORE, in consideration of the covenants and agreements contained in this Agreement, and in full, complete and final release and discharge and settlement of (i) all claims relating in any way to the Action, including but not limited to the prosecution, defense or settlement of the Action (except as expressly provided otherwise herein), (ii) the Bankruptcy Claim, and (iii) any other claims by Plaintiffs in the Bankruptcy Cases, the Parties agree as follows:

1. Upon the Effective Date, as defined below, and in full and complete settlement of the Plaintiff Released Claims and Defendant Released Claims, as defined below, Defendants or persons acting on their behalf shall pay to Plaintiffs the total sum of [REDACTED] (the "Settlement Amount"), which shall consist of Four Million Two Hundred Fifty Thousand Dollars (\$4,250,000.00) paid by the D&O Policy Carriers on behalf of the Individual Defendants and [REDACTED] paid on behalf of Deloitte. The funds shall be paid by check or wire transfer to the following trust account established by Plaintiffs' counsel, Cotchett, Pitre & McCarthy, LLP:

ABA Routing # 121000248  
Cotchett, Pitre & McCarthy, LLP Trust Account  
Account # 8038763242  
Wells Fargo Bank  
1001 Broadway  
Millbrae, CA 94030  
Transfer notification to: Cecile Meyer, Cotchett, Pitre & McCarthy,  
650-697-6000

2. Upon the Effective Date, as defined below, Plaintiffs shall absolutely and unconditionally waive any and all rights to file any proofs of claim in the Bankruptcy Cases, and the Bankruptcy Claim shall be withdrawn, with prejudice, in its entirety.

3. Neither WMI, the D&O Policy Carriers nor the Defendants shall have responsibility or liability for the allocation or distribution of the Settlement Amount between the Plaintiffs. In all other respects, each of the Parties shall be responsible for their own fees and costs incurred in this Action.

4. This Agreement is expressly conditioned on entry of a final order by the Bankruptcy Court in the Bankruptcy Cases (the "Approval Order") authorizing the D&O Policy Carriers to pay Four Million Two Hundred Fifty Thousand Dollars (\$4,250,000.00), constituting the Individual Defendants' portion of the Settlement Amount, from the D&O Policies, and containing provisions substantially the same as those set forth in paragraph 5 below.

5. As soon as possible after all Parties execute this Agreement, WMI, Plaintiffs and the Individual Defendants shall use their reasonable best efforts to seek entry of the Approval Order, with a hearing before the Bankruptcy Court to be set on the first available date thereafter. Plaintiffs and the Individual Defendants shall cooperate with the Debtors in drafting the proposed Approval Order, which shall include in substantially the following form, the following provisions, in addition to the usual and customary terms:

ORDERED that the Settlement Agreement and Mutual Release is fair and reasonable; and it is further

ORDERED that the automatic stay, extant pursuant to section 362 of the Bankruptcy Code, is hereby modified so as to permit, and the D&O Policy Carriers are hereby authorized, to the extent necessary, to pay Four Million Two Hundred Fifty Thousand Dollars (\$4,250,000.00) of the Settlement Amount on behalf of the Individual Defendants from the D&O Policies; and it is further

ORDERED that, on and effective as of the Effective Date of the Settlement Agreement and Mutual Release, consistent with this Order and the Settlement Agreement and Mutual Release, the D&O Policy Carriers who contribute to payment of the Individual Defendants' portion of the Settlement Amount will be deemed discharged from any liability to any Insureds (as defined by the D&O Policies) or other claimants for having paid the Individual Defendants' portion of the Settlement Amount; and it is further

ORDERED that, upon the Effective Date, Plaintiffs shall absolutely and unconditionally waive any rights with respect to and release any and all claims in the Bankruptcy Cases; and it is further

ORDERED that, upon the Effective Date, the Bankruptcy Claim shall be deemed withdrawn, with prejudice, in its entirety.

6. The "Effective Date" of this Agreement shall be the tenth (10) business day following the latest of: (i) the expiration of the time for appeal or appellate review of the Approval Order, with no appeal having been taken; (ii) if there has been an appeal from the Approval Order, and the appeal has been decided without causing a material change in the Approval Order, the expiration of the time for

petitioning for rehearing and/or certiorari; or (iii) if rehearing or certiorari is granted, the date that the appeal has been decided without causing a material change in entry of the Approval Order.

7. In the event that the Bankruptcy Court enters the Approval Order and an appeal is taken therefrom, the Plaintiffs, Individual Defendants and WMI shall use their reasonable best efforts to obtain final approval of the Approval Order. If the Plaintiffs, Individual Defendants and WMI exhaust their reasonable best efforts and either the Bankruptcy Court denies entry of the Approval Order or final approval of the Approval Order is denied, this Agreement shall be deemed null and void and the Plaintiffs, Individual Defendants and WMI shall revert to their respective positions with respect to one another as of the date hereof.

8. The Parties recognize that, on May 11, 2011, the Court dismissed the Action and all claims with prejudice and without costs to any party. Upon the Effective Date, no party to the Action shall take any steps to vacate, appeal or otherwise challenge that dismissal order.

9. Upon the Effective Date, and without any further action by anyone, Plaintiffs, on behalf of themselves, their affiliates, predecessors, successors, assigns, agents, officials, employees and all other persons or entities controlled by, or under common control with Plaintiffs, shall release, and by operation of law shall be deemed to have irreversibly, absolutely and unconditionally, fully, finally and forever released, relinquished, settled, discharged and dismissed, with prejudice: i) the Individual Defendants, WMI, WMB, any and all of their respective predecessors, successors, affiliates, divisions, shareholders, employees, agents, servants, marital communities, heirs, consultants, advisors, insurers, reinsurers, attorneys, accountants, underwriters and representatives, and their successors and assigns, and ii) Deloitte, Deloitte LLP, Deloitte Consulting LLP, Deloitte Financial Advisory Services LLP, Deloitte Tax LLP, Deloitte Services LP, all of their respective predecessors, successors, past, present and future parent companies, subsidiaries, affiliates, divisions, joint venturers, subcontractors, agents, attorneys, insurers, subrogees, co-insurers and reinsurers, and each of their respective, past and present officers, directors, employees, members, partners, principals, shareholders and owners, and all of their respective heirs, executors, administrators, personal representatives, predecessors, successors, transferees and assigns from any and all claims, rights, demands, liabilities, defenses or causes of action of every nature and description whatsoever (including, but not limited to, any claims for damages, interest, attorney's fees, expert or consulting fees, and any other costs, expenses or liabilities whatsoever), whether based on federal, state, local, statutory or common law or any other law, rule or regulation, whether in law or in equity, whether foreseen or unforeseen, matured or unmatured, known or unknown, accrued or not accrued, whether brought directly or derivatively, existing now or to be created in the future, that (i) (a) have been asserted in the Action or the Bankruptcy Cases, including, but not limited to, the Bankruptcy Claim; or (b) could have been asserted in the Action, the Bankruptcy Cases, or in any other forum, that are based on, relate to or arise out of the allegations, transactions, facts, matters, events, disclosures, statements, occurrences, representations, acts or omissions or failures to act that have been or could have been asserted or alleged in the Action or the Bankruptcy Cases, or (ii) relate to Plaintiffs' purchase, holding or acquisition of WMI debt or equity securities, that would be barred by the principles of *res judicata* had the claims that have been or could have been

asserted in the Action or the Bankruptcy Cases been fully litigated and resulted in a final judgment or order (the "Defendant Released Claims").

10. Upon the Effective Date, and without any further action by anyone, Defendants, on behalf of themselves, their affiliates, predecessors, successors, assigns, agents, partners, employees and all other persons or entities controlled by, or under common control with Defendants shall release, and by operation of law shall be deemed to have fully, finally and forever released, relinquished, settled and discharged Plaintiffs, any or all of their predecessors, successors, affiliates, divisions, officials, employees, agents, servants, consultants, advisors, insurers, reinsurers, attorneys, accountants, underwriters and representatives, and their successors and assigns, from any and all claims that relate in any way to the prosecution, defense or settlement of the Action, including any and all actions, causes of action, proceedings, and suits, whether in law or in equity, whether based on any federal law, state law, common law, or foreign law right of action or otherwise, foreseen or unforeseen, matured or unmatured, known or unknown, accrued or not accrued, existing now or to be created in the future, that relate to the same transactions and occurrences that give rise to the claims alleged in the Action (the "Plaintiff Released Claims").

11. The Defendant Released Claims and Plaintiff Released Claims include, without limitation, any claims that any of the Parties does not know or suspect to exist in its favor at the time of the release of such claims, which if known by it might have affected its decision(s) with respect to the Agreement. The Parties shall be deemed to have waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to Cal. Civ. Code § 1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Each of the Parties waives and relinquishes any right or benefit which it has or may have under California Civil Code Section 1542, or any similar provision of the statutory or non-statutory law of any other jurisdiction, to the full extent that it may lawfully waive all such rights and benefits pertaining to the subject matter hereof. The Parties acknowledge and agree that this waiver is an essential and material term of this Agreement and, without such waiver, the Agreement would not have been made. Notwithstanding the releases set forth in this Agreement, each Party specifically retains the right to enforce the terms of this Agreement.

12. For the avoidance of doubt, nothing herein shall be deemed to release, bar, waive, impair or otherwise impact any claims belonging to WMI, its affiliates or successors in interest against any Defendants nor shall anything herein be deemed to release, bar, waive, impair or otherwise impact the defenses, right to indemnification or right to insurance coverage of any Defendants as to any claims belonging to WMI, its affiliates or successors in interest and asserted against such persons or entities by WMI or its successors in interest.

13. This Agreement and the terms of the settlement and releases embodied in this Agreement represent a compromise of disputed claims, and the negotiations, discussions and communications in connection with or leading up to and including the settlement are not and shall not be construed as admissions or concessions by the Parties, or any of them, either as to any liability or wrongdoing or as to the merits of any claim or defense. Neither the existence of this Agreement nor any of its provisions shall be admissible in any proceeding for any purpose whatsoever, except that this Agreement shall only be admissible for all purposes solely in proceedings brought by the Parties to enforce the terms of this Agreement.

14. The Parties agree that the amount paid and the other terms of the settlement were negotiated at arm's length and in good faith by the Parties, and reflect a settlement that was reached voluntarily based upon adequate information and after consultation with experienced legal counsel. The Parties further agree that the settlement set forth in this Agreement constitutes a fair, reasonable and adequate resolution of the claims asserted or which could have asserted in the Action or the Bankruptcy Cases. Defendants agree not to assert any claim that the Action was prosecuted by Plaintiffs in bad faith under Federal Rule of Civil Procedure 11.

15. The Amended Stipulated Protective Order in the Action, dated December 9, 2010, shall survive this Agreement to the extent permitted by law and by its terms.

16. This Agreement constitutes the entire and complete agreement between the Parties, the terms and conditions herein are contractual and not a mere recital, and such terms and conditions shall not be amended, supplemented or abrogated other than by a written instrument signed by each affected Party hereto or by the authorized representative of each Party.

17. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington, without regard to choice of law principles. The Bankruptcy Court shall have exclusive jurisdiction over any action involving or pertaining to WMI and relating to this Agreement or the enforcement of any of its terms. To the extent permitted by law, any action relating to this Agreement or to enforce any of its terms, other than an action involving WMI or pertaining to claims by or against WMI, shall be resolved by the Hon. Layn R. Phillips (Ret.), first by way of expedited telephonic mediation, and if unsuccessful, then by way of final, binding, non-appealable arbitration before Judge Phillips.

18. Each Party represents and warrants that it is authorized to enter into this Agreement and all the releases, representations and warranties contained in this Agreement. The signatories to this Agreement represent and warrant that they have the authority to enter into this Agreement and all the releases, representations and warranties contained in this Agreement. This Agreement and each and all of the representations, warranties and covenants of the Parties made herein are binding upon the Parties and each and all of their respective successors, assigns, heirs and representatives.

19. With the exception of the representations and warranties made in this Agreement, in entering into this Agreement and the settlement contemplated herein, the Parties assume the risk of any misrepresentation, concealment or mistake. If any party to this Agreement subsequently discovers

that any fact that it relied upon in entering into this Agreement was untrue, or that any fact was concealed from it, or that its understanding of the facts or of the law was incorrect, such party shall not be entitled to any relief in connection therewith, including, without limitation, any alleged right or claim to set aside or rescind this Agreement. This Agreement is intended to be and is final and binding between and among the Parties hereto, regardless of any claims of misrepresentation, promises made, lack of intention to perform, concealment of facts, mistakes of fact or law, or of any other circumstances whatsoever.

20. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

21. This Agreement shall not be construed against the party preparing it, but shall be construed as if the Parties jointly prepared this Agreement, and any uncertainty or ambiguity shall not on that ground be interpreted against any one party.

22. Notices required by this Agreement shall be submitted by any form of overnight mail, facsimile or in person to:
