Restrictive Covenants and Trade Secrets in Employment Law: An International Survey

Editors-in-Chief:

Wendi S. Lazar and Gary R. Siniscalco

Drafting and negotiating restrictive covenants or litigation covenants and trade secrets issues at the international level is not a simple task. This treatise provides expert guidance, by attorneys in key countries, on covenants and trade secrets issues across the globe. This collection is a “must-have” for all multinationals and their counsel.
