E [adengler@orrick.com](mailto:adengler@orrick.com)

Adrian is a Senior Associate in the Munich office and a member of the Technology Companies Group. His particular focus lies on M&A, private equity, as well as venture capital investments.

Adrian represents clients in national and cross-border transactions, in particular local and international corporates, private equity/venture funds and high growth companies.

Prior to joining Orrick, Adrian worked at the Frankfurt/Main and Munich offices of leading international law firms renowned for their private equity and venture capital practices.

Adrian acts as a business angel for several venture capital start-up companies.
