- Member, American Immigration Lawyers Association

Named a 2019 *Law360 Rising Star*, Brianna Pomatico has a track record of counseling both major and emerging multinational companies on innovative global workforce solutions. Brianna is a member of Orrick's Global Employment & Equity Compensation team.

Brianna's practice focuses on cross-border comparative employment law, including immigration, equity compensation, benefits, tax, and securities considerations. She works with clients to address critical questions related to the evolution and growth of their global workforce, including local employment contracts, human resources policies, data privacy issues, and equity compensation structures.

Prior to joining Orrick, Brianna practiced corporate immigration law, gaining years of experience facilitating global mobility for large corporations, startups, and individuals alike.
