E jpearlman@orrick.com

Julie is an associate with the Public Policy Group in Orrick's New York office.

Practice Areas

- Complex Litigation & Dispute Resolution
- Public Policy

Education

- J.D., Boston University School of Law, 2017, *cum laude*
- B.A., Political Science, University of Rochester, 2012, *magna cum laude*

Julie helps clients facing state legislative and regulatory challenges develop and implement public policy campaigns across the country. As part of these efforts, she works with company representatives and lobbyists to develop state legislative strategies on complex issues, draft and provide testimony, create advocacy materials, and educate key stakeholders.

Publications

- "Combatting Massachusetts's Opioid Epidemic: Reducing the Social Stigma of Addiction Through Increased Access to Voluntary Treatment Services and Expansion of Mandatory Clinician Education Programs," *American Journal of Law and Medicine*, 2017.

Admissions

- New York
